Reflector

These best sellers are available in the full range, including coloured and anti-insect.

Eco friendly and more cost efficient to run, the Atom range of LED Reflector and PAR38 lamps are an everyday essential. Suitable for security, flood and task lighting.

Alongside our standard reflector range, our infrared heat lamps are the perfect partner to our 3-in-1 heat-fan-light combo.

- Suitable replacement for standard halogen and incandescent lamps
- Ideal options to replace reflectors and most standard bathroom heater models
- Energy efficient
- Long life
- No mercury content
- High-quality
